

## LOVE IN THE NAME OF CHRIST

<https://www.loveincdouglas.org>

“Love INC is a partnership of diverse local churches. We use the Apostle’s Creed as our unifying statement of faith.”

The mission of Love INC is to mobilize local churches to transform lives and communities In the Name of Christ. With the churches working together from all different Christian denominations we believe that we can address many of the needs in our community. Our goal is to help address the immediate need while attempting to address the reason for this need to arise. We want to not only meet the current need, but to also help the client get out of the situation that is causing the need to arise.

Living Word supports Love INC through prayer and financial gifts. LWLC members participate in the Angel Tree program by purchasing Christmas gifts for Love INC families. Incentives are also donated to support Transitional Tuesdays.

We welcome all people, no matter what religious background they come from or what beliefs they have. We live out our mission through Biblically based, Christ-centered programming and hospitality.

Living Word continues to support the ministry at Mount Carmel with financial gifts and through prayer.
