Invitation Sunday July 29th—Evangelism committee is in charge of planning ways we can make this time special for all who worship. Gretchen will contact those regarding extra needs and greeters. Worship committee is encouraging members to wear their name tags to service to facilitate identifying with congregational members. Paulette will put name tag notice in the bulletin. Currently noted an extra ballroom has been rented.

Trailer/coffee issues/council liaison: Please keep extra needs for refreshment hour in tubs. It is recommended to not load up the cart with napkins/cups etc. to facilitate loading the cart into the trailer.

Doyle reviewed the general ledger fund with the committee. Members will contact treasurer, Gaylen Lerohl with any changes. This report will be reviewed quarterly.

Altar Guild: Gluten free wafers will be handled separately and on their own plate. Communicants will pick their wafer off the plate to avoid any cross contamination with the baked communion bread.
