**Pastor's report:** New installed TV's good to use for Wednesday night – worked good. Will discuss use of TV's for service at a different meeting. Suggested that the banner hook on the left side of the church be moved closer to the Praise Band so it doesn't interfere with TV. Planning on using Power Point for the whole service for the TV screens – would need to have someone input all the data (creed, prayers, lessons) into Power Point. Pastor will use this coming Sunday.

### **Old business:**

- Summer worship going well although only 15 for 7/13/16 service. Ad in paper will be repeated in July.
