Note from Lynelle: Pastor Jim and I thoroughly enjoyed celebrating with everyone at PUMC’s Harvest Fall Party this past Sunday. It was a delight to hear all the chatter, see and hear pop cans flying as kids knocked the cans down with beanbags, and hear the laughter of old and new friends connecting. Wasn’t it good to eat and fellowship together? It sure blessed my soul!! Know what else blessed me? Volunteers! This event would not have happened without those who took time on Saturday and Sunday to prepare for the Harvest Fall Party. They shopped, chopped, decorated, cooked, grilled, served, and in general set up (and cleaned up!) for the party. A hearty thanks to each and every one who gave of their time to serve, and a hearty thanks to all who attended. Happy Fall Y’all!! Lynelle
