**"Work Mission Sunday"**

Dear Friends and Friends I have not yet met,  
I began doing youth work missions in 1991 and have worked with youth and adults from 17 different churches. Every year is a little different, every experience changes according to location, work, and the people who volunteer. The one thing that never changes is the amazement I have with the youth and the work they are willing and able to accomplish. From the poorest inner-city kid to the wealthiest suburbanite, the young people understand the mission and work toward a common goal of meeting the needs of the people for whom we are working.

Pastor  
Jan Yandell

This year was no different. The work was different on each work site, some more difficult than others. The youth divided up into teams that did the work they were asked to do. We have a saying that, "The most important job is the one we were just asked to do." It is a pretty good saying for our everyday missions as well. Some may be asked to do difficult jobs, some may be asked to do the mundane, but whatever it is we are asked to accomplish, either by God or one another, I pray we are as faithful as the mission teams have been.

Thanks go out to the adults who gave of their time, so that these trips were possible. Please join us for a light luncheon at 11:15 to visit with the team members and hear more stories of their mission experience. For those who bought stock for this trip, the luncheon is free. For those who would like to pay it forward for next year's trip, a donation will be accepted.

Thank you for all of the support given, both financially and in prayer.

Blessings, PJ

\*Call to Worship

Leader: Leaving the safe and familiar with their hearts set on a heavenly prize, there were some who laid down their nets and some who laid down their lives. Not sure where they were going, but they did not have to know, 'cause they knew who had called them and they said, "We will go!"

**People: Down any road at any cost, wherever you lead we will follow because we know that you've called us to take up our cross, down any road, at any cost.**

Leader: It may be fear that we're feeling when we see what we must sacrifice, but you promised you'll go with us, so we trust with our lives.

**People: Down any road at any cost, wherever you lead we will follow because we know that you've called us to take up our cross, down any road, at any cost.**

Leader: It's your love that compels us to do what you've called us to do and be completely abandoned to you.

**People: Down any road at any cost, wherever you lead we will follow because we know that you've called us to take up our cross, down any road, at any cost.**

**All: Down any road at any cost! Amen.** (Lyrics to "Down Any Road" Point of Grace, 1996)

Prayer Requests and Celebrations

Pastoral Prayer

The Lord's Prayer "Our Father who art in heaven, hallowed be thy name. Thy kingdom come, thy will be done on earth as it is in heaven. Give us this day our daily bread and forgive us our trespasses as we forgive those who trespass against us. And lead us not into temptation, but deliver us from evil. For thine is the kingdom and the power and the glory for ever. Amen."

Witness to Mission

Unison Prayer: Beloved God, you have a mighty plan for each of us. You called some of us to mission in Delaware this summer and some of us to mission in our own neighborhoods. You have called many family and friends who supported the mission financially and with prayer and for all of those we thank you. You called four churches to be in unity with one another. Sometimes the task seemed daunting, but you did not let us turn away. Month by month in our planning, the obstacles became opportunities, the troubles became triumphs, and the friends became family. We thank you for the many blessings we have had in the planning, the preparation, and the participation from those who went on the mission and those who shared their support. In Jesus name, Amen!
