

Mitten Mission Time

It's getting cold outside, so it's time for our annual PUMC Mitten Mission!

This year, we are expanding on our successful mission project.

We will be collecting used/new winter coats, hats, scarves, gloves, and boots (adults & kids) for Hope Chest, Project Hope, and Subzero Mission.

Also this year, we are collecting for our 4-legged friends!

We are collecting donations of cat and dog food (dry & wet), cat litter, and dog/cat toys. These will be taken to the Humane Society of Lake County and also used in our own Food Pantry. Many people in need also have pets.

We'd love to make an impact on our furry friends, too!

For questions or additional information,
contact Johanna at 440-354-3642 or children@pumconline.org

Hope Chest needs new or gently used blankets

(Whereas homemade afghans are nice, their clients REALLY NEED BLANKETS)

Please place your donations in/next to the black boxes in the Mission Hallway

Concert Series at
PUMC

Burning River
Brass

Tuesday, December 18
7:00 pm

Photo credit: Roger Mastroianni

No charge for admission.

A free-will offering will be taken to assist with the cost of the concert.

Make plans to attend. Bring family & friends!
