"The Journey: What We Witness Along the Way"

Pastor
Jan Yandell

Dear Friends and Friends I have not yet met,

Today we welcome a new class of members to Painesville United Methodist Church. It is exciting to bring new people on board to share and serve in the ministry of this amazing place. Though not all who joined us in membership class are joining the church today, those who came learned about our United Methodist Heritage, the theology of John Wesley, some of the history of PUMC, and have taken a tour of the building that included every nook and cranny of this incredible building, learning what happens in each room.

When we speak of our journey with Jesus, it is amazing to think of all the people who have come through these doors on their journey, those who built the building, those who have sung in the choir, those who have taught and preached and prayed within these walls and those who have gone from this place to serve in the name of Jesus.

As the book of Hebrews states, "We are surrounded by a cloud of witnesses..." so many who have witnessed the mighty works of God that have happened and continue to happen here and around our community.

Let us keep our eyes open and witness what God is doing all around us today and every day, including the gift of the people he has placed on the path of our journey who join in membership this morning. Blessings, PJ
