PJ's Post

Pastor Jan Yandell

Dear Friends and Friends I have not yet met,

I love this time of year, when I see the buds begin to come out on the trees and everything starts to green up a bit from the white, grey and brown of the winter months. I love to see the birds coming back and the flowers start to pop their heads up from the ground. I also love to see the spring in the step of people who have been struggling with the winter weather.

I love to see it! And all too often I forget to thank God for the privilege of sight and the amazing miracle that takes place every time I open my eyes. The light, the lens, the shapes, the recognition in the brain are all functions of these incredible bodies we have been given. I personally cannot imagine being blind and I know many who lose their sight as they age. I need to remember to give thanks for my vision each and every day.

Yet, there have been times in my life that I have been blind to other's needs, blind to suffering in the world, blind to my own faults, blind to the blessings God has given me. When we become spiritually blind, all the love, all the goodness, all of the power that God showers on us is missed, and all the work we are called to do goes unnoticed.

Open our eyes, Lord, there is so much we do not see. Open our eyes, Lord, there is so much you want to show us. Open our eyes, Lord. May our faith heal our blindness!

Blessings,
PJ

Christian Education

Good Morning to all!

For the next few weeks we will be introducing you to our Confirmation Class of 2017! Each week we will provide a little snippet of info on each of our confirmands. I hope you will read it and take the time to greet these young people when you see them around the church. At the end of their confirmation journey, they will be welcomed into Painesville United Methodist Church as members on Confirmation Sunday (May 7th).

Confirmation 2017

First up is **Paul Jacob Raser**. Paul is the son of Jeff and Lydia Raser and he has 2 brothers and 2 sisters. Full house! He attends Memorial Middle School where his favorite subject is Math and his least favorite is World Studies. He also likes the cooking class at his school. Let's hope he makes meals for his parents!

When he "grows up" he would like to play in the NBA and in order to do that he drinks a lot of milk and tries to take good care of himself... Milk helps those growing bones!

Paul says that the person who knows him best is his Mom and that he would like to learn more about God and the church during confirmation.

If you see Paul, please say hello!

- This week is regular Sunday School and Children's Choir practice (10:50)
- Children's Choir will be singing on April 2nd at the 10:00 service.

Have a fantastic week,
