Dear Friends and Friends I have not yet met,

Belonging to something and feeling a sense of belonging are two different things. Today we bring in 6 new members, 4 in the 8:30 service and 2 in the 10:00. **But they aren't just "joining" to say they "belong" to the Painesville United Methodist Church. They are coming to be an active part of this house of God where learning, inspiration, and training take place while also understanding that they "belong" to God and God's work here, in the community and in the world.**

Belonging is said to be a central human need. It is about being a part of something bigger than yourself which feeds your soul and through which you want to make a difference in the world. Belonging to a church is more than sitting in the pews, it is more than sharing some common beliefs, it even more than giving a tithe. It is the comforting feeling that you are welcomed, accepted, appreciated, and want to be involved in whatever way you can to see growth and strength in the congregation **and in God's kingdom.**

**Through our scripture today we realize belonging to God's kingdom has been made easy through the love, the blood, and the promises of Jesus Christ. In the scripture we are told that through Jesus we are invited, forgiven, encouraged, and loved. And, we are called to meet together regularly for the purpose of "sparking love and good deeds." Belonging is a two way street. We are made to feel like we belong, so that we can, in turn, make others feel that they belong. In this church and in God's kingdom, I, you, us, them, they, WE all belong. Thanks be to God!!**

Blessings, PJ
