*On the Square...Steeped in Prayer*

**Sunday October 25, 2020**  
**"From the Heart"**

Pastor  
Jan Yandell

Dear Friends and Friends I have not yet met,

I want to thank everyone for the beautiful thoughts and cards sent to me the past few weeks for Pastor Appreciation Month. I am so grateful to so many who have encouraged me and the staff at PUMC during the pandemic as we strive to do the very best we can to care for the most people.

I am honored to be the pastor of a church that has so many loving people, who are willing to serve God through serving others who are in need. Being the church in these crazy times is not easy, but so many have found creative ways to continue to support this congregation and this community in the name of Jesus and it is exciting to see the benefits from their labor.

Today we are blessing the many prayer shawls that have been made and are ready for distribution. Nothing like a good pandemic to increase our stock of prayer shawls! Seriously though, I am glad that so many talented people have put their hours to good use. Underneath each shawl is a Jumbo zip lock bag in which to place the shawl so that it stays as clean and germ free as possible.

If you have someone you know who could use some extra prayers and would like a warm reminder of those prayers, please come up after the service and select one. If you are searching for a color and do not see it, let us know. There are more in the room in which they are stored and we can probably accommodate your request.

I am so grateful to Jane Morse and Marilou Walbeck for organizing the shawls and for all of the people who have made them. There is such a variety and all beautifully made. As the weather continues to get chillier, this is a special ministry that not only warms the heart, but the body as well! Please select one and share it with someone who could use as little extra joy in their life at this time.

Blessings, PJ

Our CCYM representative and PUMC member, Sam Mezzapelle, has asked that we participate with other youth groups, individuals, families, church congregations and leaders in Project Impact for the month of October. Project Impact is making an impact in the community by serving others. You decide who to serve and how – while being sure to follow the social distancing recommendations of our local health department. Please report back and share pictures on how you made an impact in the community by emailing Margie at [mwalker@pumconline.org](mailto:mwalker@pumconline.org). If you use social media, please tag #projectimpact on your posts. Margie will then E-mail Kaye Wolfinger, E.O.C. Director of Young People's Ministries, who will use these pictures to create a Project Impact video that will be shared with our congregation.

Genesis – The beginning

Do you think you could build a physical tower to heaven? If you could, would you? Would it help you get through those pearly gates?
