THIS WEEK'S WEBSITE FEATURE

Please check out the article. www.ccmhar.com--Info Center--Articles. **'What the Bible Says About Embryonic Stem Cell Research?'**, by Gene McCoy. Because stem cells can become any type of specialized cell, can adapt to any person, and can multiply indefinitely, they open up new possibilities for medical cures and treatments.

Congratulations to Kim May!

Kim recently finished her classes and will be a family nurse Practitioner (FNP) once all the paperwork is done!

Dollar Day is April 29
