

Baxter County Right to Life (BCRTL)

BCRTL is dedicated to protecting human life. The primary purpose is to educate through the presentation of detailed and factual information about fetal development, abortion, alternatives to abortion, infanticide, euthanasia, and related issues, upon which individuals and the general public may make informed decisions.

Activities consist of education, legislative awareness (via newsletters, our website, etc.), referrals to crisis pregnancy centers and prayer.

There will be a booth at the Baxter County Fair. If you would like to help man the booth or would like more information on this organization, please contact Joyce in the office. She is the BCRTL Education chair.

The meetings are quarterly and last about an hour.
