International Heritage Day Celebration

Sunday, March 12 we will be having an **International Heritage Day Celebration** during the Bible Class time. Besides our own multinational backgrounds among those in our congregation, we have 6 ladies who are first generation from other countries. After worship on March 12, these ladies will be introduced in a video being

shown on the big screen in the auditorium.

Following the video, everyone will be welcomed to visit tables in the community room to see displays representing the homeland of origin of these 6 ladies.

Afterwards, there will be a potluck luncheon where **everyone** is encouraged to prepare a dish representing their own ancestral heritage.
