I want to know....

Silent prayer - is it biblical?

The Bible may not specifically mention praying silently, but that does not mean it is any less valid than praying out loud. God can hear our thoughts just as easily as He can hear our words (Psalm 139:23; Jeremiah 12:3). Jesus knew the evil thoughts of the Pharisees (Matthew 12:24-26; Luke 11:7). Nothing we do, say, or think is hidden from God, who does not need to hear our words to know our thoughts. He has access to all prayers directed to Him, whether or not they are spoken.
