Mother's Day Ad Signatures Solicited

Officers

Dan Nelson, Pres.
Rich Slagle, V. Pres.
Caron Davis, Sec.
Ted Osoba, Treas.

Meetings

3rd Monday of each
month at 7:00 p.m.

Elmcroft of
Mtn. Home
715 W. 6th St.
Mtn. Home

Information

425-3910 or 508-4806
All are welcome!

Again this year, the Baxter County Right to Life organization is sponsoring a signature ad in the Baxter Bulletin in conjunction with Mother's Day. The primary purpose of the ad is to make a positive statement regarding our community's support of life. Allowing your name to appear in the ad is one way you may express your support of the pro-life movement in Baxter County.

A secondary benefit of the ad is that it usually generates income to finance the good

things Baxter County Right to Life does throughout the year. Proceeds that exceed the cost of the ad are added to the operating budget of the county affiliate of Arkansas Right to Life.

A gift of \$10 to Baxter County Right to Life is all that is needed to have your name, along with that of your spouse, added to the list of signatories.

We ask that all of our readers consider this simple, yet meaningful, expression of support. And we urge you to spread the word about this

opportunity to your associates at work, at church, and in your social circles.

Please mail a check made payable to BCRTL (Baxter Co. Right to Life) to chapter treasurer,

Ted Osoba
1911 Arbor
Mtn. Home 72653

Please include with your check your name as you want it to appear in the ad.

A gift of \$25 will not only include your name(s) on the ad, but will add you to our list of Friends for Life (see sidebar on p. 3). We ask you to consider this opportunity. 

Needed: Fertile Soil by Ted Osoba

As in every organization, Baxter County Right to Life has had situations similar to the parable of the farmer sowing seeds (Matt. 13:3-9; Mk. 4:3-8; Lk. 8:5-9). Much of our seed (words) falls on the footpath where people don't understand or reject our cause. Some lands on rocky ground and sprouts up quickly, but then withers for

lack of roots. This refers to people who are very enthusiastic and energetic for a while but then "burn out." Other seed lands among thorns and is choked off. Many well-meaning people agree with our cause, but the distractions of family, job or health, etc. cause them to fade away.

What we are looking for are

those who are open to our cause for life and who will provide the fertile soil, the long-term commitment that has strong roots to continue their efforts despite distractions and reversals.

Which soil are you? We need the fertile soil in which the cause of life will grow abundantly. 

The Baxter County Right to Life organization welcomes participation from all advocates for life. We are eager to make a presentation to any church or organization that wants to be involved in assisting newborns in need through the local Right to Life chapter.

Coming Soon . . . Project Outreach

By Ted Osoba

After much discussion as to how they could be more active and effective in the cause for life, Baxter Country Right to Life is launching "Project Outreach," an effort to contact all churches in the area to determine their commitment to pro-life issues. Teams will be formed to approach our

Christian brethren to coordinate our efforts in the areas of education and advocacy for life. Visual aids are being assembled and our project will probably be launched in early spring.

Baxter County Right to Life seeks not to dominate, but to unite with all our faith partners

in order to save the unborn and the helpless against the culture of death. We will be seeking the input of all to assist us in our cause. We will speak to church or civic groups, as well as men's, women's and youth groups. Please keep us all and this undertaking in your prayers. 

Membership carries no obligation. The annual contributions from our Friends for Life provide a large portion of the funds we use to keep the pro-life message before the community.

These funds also help us do the positive things you read about in this publication

and the newspaper throughout the year.

Please mail a check or money order made payable to Baxter County Right to Life 1911 Arbor, Mtn. Home 72653. A minimum of \$10 for individuals or \$15 for married couples makes you one of our valued Friends for Life!
