THANK YOU

The two days of "Learning to Love to Pray" went off without a hitch and so many need to be thanked, but I will thank God for His allowing everything to come together from the beginning of the concept back in Oct of 2015. He was always there to guide us. I would also like to extend my personal thanks to the members of the Prayer Ministry Team, also to Louise Addington, Mary Snyder, Jane Pickett, Bruce Wolf, Melva Derrickson, and Gene McCoy, plus Joyce Rhoads, Arlene Dixon, George Blohowiak, Eric Dwyer, Barkley Terry, David Benedict, and Nash Anderson. Also, to Judy Truitt for the childcare. A special thanks to the Elders who approved the funding for this event and for their support throughout, hauling water among other things. No one says no when asked to help! Makes one smile. Anne Mahoney

Please check out the article . www.ccmhar.com--Info Center—Articles. 'Embryonic Stem Cell Research', by Gene McCoy, that is when science, compassion, truth and morality converge harmoniously to form the only proper answer to whether or not embryonic stem cell research should be pursued, regardless its source of funding. The answer is "Never!"

There will be a table set up at the back of the auditorium October 23 and 30th for Baby Gifts for the Beliceks (baby Sophia is due November 10)
