Dear Parents,

We want to thank you for letting us partner in your teenager's spiritual life. We are dedicated to taking care of your child. You've entrusted your child to us for a week and we take that very seriously.

The MOVE staff has spent the past year praying and planning for a week that will change your teen's life forever. The schedule is full of activities to help them get closer to our youth group and build a greater relationship with Jesus. At Move, the students will be challenged to do things as local as obeying their parents in their home and as big as sharing the message of Jesus around the world. Wherever they are spiritually, I pray that they will take one step closer to Jesus.

Many hours have been put into planning the schedule to help all the students draw closer to God. Everyday your teen will be asked to search their Bible for ways that God has spoken to them through the words and life of Jesus Christ. They'll be led in contemporary worship by men and women who know how teens worship God best. The very best speakers have been assembled to open up the Word of God each night and lead the teens through the theme thoughts for the day.

Our prayer is that when your teen returns home, you'll see someone who has been changed by the power of Jesus Christ! We hope that your teen will be convicted to live a life of obedience to Jesus and His Kingdom in front of you and the world.

If you have any questions, please don't hesitate to contact us. We're excited to have your teenager attending this event with us.
