

Garden of Feedin' Celebrates 11 Years Growing

At Our Harvest Festival on October 19, 5 – 9 PM

The St. Giles community garden has been growing since 2009, and this year we celebrate our 11th season with a harvest festival on Saturday October 19, 5-9pm. All are invited to celebrate our bountiful harvest. We'll have a potluck meal comprised of home cooked dishes (many made with vegetables grown in our garden) and

musical entertainment provided by local, home grown musicians. We'll meet in the garden at 5:00 p.m. to offer thanks for our green bounty, and then we'll reconvene in the church basement for socializing, dining and dancing (encouraged but not mandatory). Please bring your dancing shoes, just in case the spirit moves you after you've enjoyed friendly conversation and a wholesome dinner!
