

THE GREAT VIGIL – APRIL 12

Rejoice now!...This is the night! The great night of celebrating the essential fact of our faith. “Surexit Dominus vere”, The Lord is risen indeed.

For me, the Vigil service has always been the most important service of the year—certainly of the season. I will look forward to the day when I may celebrate with a congregation again. We do not know when that will be.

But we do know that whether we are able to gather in joyous celebration as we have grown so accustomed to doing or not, the Lord is Risen.

Happy Easter.
