Campus Ministry

Devon Taylor
Associate Campus Minister

A recent graduate from ECU with a Bachelor's Science in Nursing, Spring 2017. Devon connected and became strongly involved at the ECU Wesley her sophomore year, where she then served for 4 semesters on leadership team. Had the opportunity to go on mission trips, retreats, and nurture her call to ministry.

Devon was active in the United Methodist Church growing up. Serving as a small group leader for Sonshine & Growing in Grace camps, as well as serving as a youth delegate to Annual Conference 2013. She continues to enjoy serving at camps each summer such as SPARK, Dayspring South, Youthforce, and Lakecountry District.

As well as staying active in the conference, Devon spoke on behalf of campus ministry at Annual Conference 2016, and will attend again at Annual Conference 2017. She couldn't be more ready to continue fulfilling the call at Southeastern Wesley.
