Families of all ages are invited to join us for a safe and social time! We'll decorate the church

sidewalks with Easter pictures, and play a little hopscotch, too. Parents will be advised to please watch over their children - all will have separate chalk to use, and there will be an Easter goody bag to go! Let's welcome Easter and start the celebration early. Come back on Easter Sunday- all will enjoy seeing the many colorful drawings! RSVP on the church website

Easter Giving Opportunity Agape Village & Tri-Valley Haven

This Easter the Worship and Missions Elders have decided to support Agape Village & Tri-Valley Haven in place of our usual Easter flower donations. You can find a brief

introduction to both organizations below. We're asking for donations of \$10 or more which will be split between the two organizations. These donations can be made in memory or celebration of loved ones.

Donations and commemorations received TODAY Palm Sunday will be included in the Easter bulletin. Donations received after March 28 will be posted on our website.

Maundy Thursday Service - April 1 at 7 p.m. (FaceBook Live)

We will gather around the table and hear some of the most important words Jesus would share with his disciples. We will invite all to participate in Communion at their homes.

Good Friday Tenebrae Service - April 2 at 7 p.m. (FaceBook Live)

We remember how the darkness sought to overcome the coming of our Messiah. We will hear of the steps which brought the darkness into the life of our Savior, but we will continue in our hope as we seek to celebrate Easter on April 4.

Easter Sunday, April 4 (Outdoor in person and FaceBook Live) Sonrise Service at 6:15 a.m.

This service will be led by our High School students. We will greet the rising Son, with a sunrise at 6:48 a.m.

Easter Service in the Courtyard at 9:30 a.m.

We will celebrate that Jesus is Risen! We are hoping to offer a safe "Sunday School" time for kids, too - stay tuned!

***Please be sure to sign up for the Easter Service if you plan to attend so that we can best configure the seating for everyone's safety.**
