Drive Up Communion at 11:15 a.m.

- To participate, just follow these steps:
- Drive into the parking lot between 11-11:15 a.m. and stop by the gate next to the kitchen.
 - Tell the person handing out pre-filled communion cups how many are in your car.
 - After you're handed the communion cups, drive forward and park facing the building. Please stay in your car. We will have a radio station for you to tune into.

At 11:15 a.m., Pastor Randy will share some words about communion and we will take the cup and wafer together. Communion is normally a community event so this will allow us to meet as a community in the parking lot together.

Adult Education Class Continues Today @ 11:15 a.m. on Zoom

Mental Health Awareness Month – Mindfulness Challenge

In observance of Mental Health Awareness during the month of May, JKPC member and Community Life Elder, Terry Han, is inviting the JKPC family to participate in a 21-Day Mindfulness Challenge. Terry and the Wellness Team at his company, BD Life Sciences, have organized this challenge. To participate, please sign-up with Terry by May 2 at TerryHan@att.net. You can also recruit family and friends to participate. Starting on May 3, you will receive one email a day for 21 days with tips and on how you can improve your mental health. Each email comes with a fun wellbeing activity you can do throughout the month.
