Gazes at her Saviour's face
See the love
Freely given
Christ reveals the Father's grace

"Frosty The Snowman"

Frosty the snowman
was a jolly happy soul
With a corncob pipe and a button nose
And two eyes made out of coal
Frosty the snowman
is a fairy tale, they say
He was made of snow
but the children know
How he came to life one day
There must have been some magic in
That old top hat they found
For when they placed it on his head
He began to dance around

Oh, Frosty the snowman
Was alive as he could be
And the children say
he could laugh and play
Just the same as you and me
Frosty the snowman
was a jolly happy soul
With a corncob pipe and a button nose
And two eyes made out of coal
Frosty the snowman is a fairy tale,
they say
He was made of snow
but he came to life one day
There must have been some magic in
That old top hat they found
For when they placed it on his head
He began to dance around

Frosty the snowman
Knew the sun was hot that day
So he said, "let's run
And we'll have some fun
Now before I melt away"
Frosty the snowman
Had to hurry on his way
But he waved goodbye saying
"Don't you cry
I'll be back again some day"
