_____ I would like offering envelopes.

Credit Card/ACH through Online Giving

This year we would like to encourage parishioners to sign up for our new online giving program. Through this, you have flexibility to update your information as well as which dates you would like to be auto drafted. Direct debit from your checking account has the lowest fees for the church, but please give as you feel led. The link to our online giving portal can be found on our website at www.stvincentscathedral.org.

****If you are unable to sign up for online giving and would like to contribute via credit card please contact Jennifer in the church office at (817) 354-7911.

For 2018 financial planning, the vestry needs all pledge cards turned in on Commitment Sunday (Oct. 29th) or as soon as possible after that.
