FIRST UNITED METHODIST CHURCH

OKMULGEE, OKLAHOMA

October 11, 2017

Dear Church Family,

What did Jesus mean when He said, “Whoever loses his life for My sake will find it?” How often do we stop to consider the commitment Christ expects? He’s not talking about writing a check or checking a box, but a life that is completely focused on giving to others what He has so graciously given to us.

In the coming weeks beginning October 22, I hope to address some of these questions and ideas as we begin a new series entitled *Living Generously*. This series is different than others we have done. It includes a series of films that tell the story of the Donovan family as they seek to understand what it means to live the words of Jesus. Each week we will see a glimpse of their journey as they take risks, experience suffering and joy, and find themselves transformed by the call of Christ. You won’t want to miss a single Sunday!

Life is busy, and it is easy for our hearts to be distracted by the demands we face. Each of us has so many blessings, but often our attitudes are less than grateful. It is my sincere hope that this series prompt us to take an inventory of the blessings God has entrusted to each of us. As we do, I hope we will be inspired with a new awareness of the goodness of God.

At the end of the series, we will give you the opportunity to share how you have been impacted. What an opportunity for our church family to celebrate God’s generosity! Will you join me in praying that God will prepare our hearts to hear His message of transforming generosity? And will you commit to coming each week?

Sincerely,

Roland Youngberg
Your Pastor

The next Meeting:
**Thursday,
October 12th**

AT 6:00 P.M.

**NOMINATING COMMITTEE MEETS IN
THE M&M CLASSROOM
SPRC & TRUSTEES MEET AT
THE PARSONAGE**

At 7:00 P.M.

**LEADERSHIP TEAM MEETS IN
THE M&M CLASSROOM**

Special thanks

...to Sean O'Brien and Jack Wright
for touching up the pipe organ
tuning. Because of heir willingness
and climbing ability we hope to save
the church \$1,400 in organ tuning
maintenance.

—Keith Garrison
