Small Group Questionnaire

Please take a moment to help us improve your experience at Wesley. We are in the process of starting a small home group ministry and would like to know your interest level in participation and what type of groups you would be interested in. These groups would be small informal groups of people with the same interests, goals, etc. that would meet on a regular basis to minister to each other, desire to grow spiritually, and to develop close Christian relationships. When you're done, please drop the questionnaire in the basket located at the church office window.
