CCSBA DOM Focus

Oh how marvelous to be part of the family of God. Oh how blessed to be brothers and sisters by faith in Christ. Oh how beneficial to be part of an association of believers and churches which truly focus on glorifying the Lord Jesus through word and deed. I am so thankful for each of you, and for all you are doing to build up His family. My earnest prayer for you all is that Christ would be the center of your life, and as a result of that you would be compelled by His great love to share Him with all around you and lead them to be His disciples.

March 21 and 22 there are “Pray Across Missouri” events planned in three of our Counties. Dr. John Yeats, Executive Director of the Missouri Baptist Convention, will be at each location to lead a special time, interceding for everyone who lives and works in that County. See our Calendar listing for your specific County. Please plan to attend and join with others in asking God to work mightily in our Association.
