Focus on BSU

As a new semester begins new opportunities arise for reaching students. So far we have retained the students who were coming to Bible study last semester, and we are continuing one on one discipleship with several students. We are still providing lunch on Mondays. At this time lunch will be passed out to students in a carry-out container. All of the necessary items to pass out food are provided by the BSU.

I appreciate all of your support for the lunches over the past year, and ask you to pray and partner with the BSU in this ministry.

Open Ministry Lunch dates we need filled:

February 8, 15
March 1, 8, 22, and 29
April 12, 19, and 26
May 3 and 10

Also I am sharing a flyer with you all that has information about the BSU. If you know any college students who are not connected with the BSU please share the information with them. Finally please join me in praying for someone to lead worship for our bible study times.

The above diagram helps us to understand what God had in mind for each of us when we made the commitment to follow Jesus as Lord. Your eye may find the first circle – ENTRY – and lead you to believe it all starts there. No. It all starts with ABIDE IN CHRIST. You and I are called to abide in Christ, and as we do the Holy Spirit will use us in the missionary task right where we are – where we live, work, and play.

How do you abide in Christ? Reading the Bible, study, prayer, fellowship, involvement in His mission, growing as a disciple and making disciples? All of these are the result of yielding to the Holy Spirit. And yielding to the Holy Spirit starts with prayer.

Join me **beginning February 22 for a season of prayer** leading up to Easter. We'll be using a prayer guide which was developed as part of our Strategic Planning workshop last month. The guide is located on our **CCSBA website** under the heading: **Guided Prayer**. It is designed as a daily guide for six weeks focused on helping the believer abide in Christ and become more Kingdom focused in their walk with Him.

The guide can be used from your phone, tablet, or computer. There is also a printable copy. If you need a printed copy, please call us at the CCSBA office and we will print and send you a copy.
