Journey of Grief: Ministering to Bereaved in the Age of Covid Training

May 15, 2021

Fellowship Baptist Church, Dexter MO

The Missouri Baptist Children's Home, partnering with Darkness to Light (www.D2L.org), is offering this specialized training to churches which will help them be better prepared for ministry and the safety of those participating in church activities.

Space is limited! Stewards of Children will be presented twice on the 15th, with the other two seminars being presented once each.

Register for these by emailing or calling us at the CCSBA office with your name, church, and which seminar you'd like to attend.

Baptist Student Union

There are two full weeks of school and finals remaining for students. This year has been difficult and stressful for both students and faculty of the school. Please join in prayer for everyone at Three Rivers College that they may finish strong. This school year has not been an easy one but no matter what God is faithful and is still opening doors to reach the students.

This summer will be spent evaluating how the BSU operates and assessing what needs to change as we look towards a larger impact here at Three Rivers. Thank you everyone for your support this school year and I look forward to continuing to partner together to spread the Gospel on Three Rivers College and out to the world.
