Transforming lives and communities with the gospel by bringing help, hope, and healing.

The numbers for Missouri Baptist DR efforts in 2021 are not compiled yet, but countless lives have been touched by DR volunteers providing assistance in hard hit communities. You can find out more about MO DR at mobaptist.org.

Here at the CCSBA we are working to build up our volunteer base. WE NEED YOUR HELP! We've got well equipped Chainsaw and Mud-out trailers, but need to increase the number of volunteers. Plan to join us at 6:00 pm on Dec. 7<sup>th</sup> here at the BSU to view our trailers and to hear from a MBC DR Blue Hat about being part of the CCSBA Disaster Relief team.

#### **BSU**

November is the last month of school here at TRC. When the students return from Thanksgiving break they will have one week of classes and then Finals. This is the time of year when stress starts to build and more students are on edge as final projects and papers are due.

Please **keep the students in your prayers** during this time. Bible studies, Monday meals, and game nights are continuing to see new students and old come together for times of fellowship and learning.

On **November 18 the BSU** will be teaming up with the student housing to host a **Thanksgiving feast for all students who live on campus**. If you would like to help with this event and make some wonderful desserts please contact the Association office or myself at 660-654-9475 and I would be happy to get you on schedule for this event.
