Please send ticket requests to  
Judie Schafer  
Trinity Lutheran Church  
35110 Division St,  
Richmond, MI 48062

Make checks payable to  
Trinity Mission Fund  
All donations are tax deductible

This exhibit features the most accurate model of the  
Titanic ever built. A docent will be present to answer  
your questions on this 18 foot long model that  
contains over 3 million hand placed rivets! Also  
displayed are other ship models, tractor models,  
centuries old working clocks and other treasures from  
around the world that visitors have never seen before.
