## ANNOUNCEMENTS

**SERMON SERIES AUG – NOV:** This sermon series, which runs from Aug - Nov, then from Jan - March, is entitled, "**Sent Out: A Survey of the Book of Acts**". We'll take a bird's-eye look at the book of Acts and see how the early church was started, how Jesus sent out the disciples into the world to preach the gospel message and see how we as believers today are to continue to carry on what Jesus started.

**SERMON SERIES DECEMBER:** Pastor Tyler will be preaching a Christmas sermon series entitled, "**The King Is Coming.**" In this sermon series, we'll look at various Scriptures that show us that we needed Christ to come, and we'll rejoice in the hope that we have that He is coming again.

**WED EVENING BIBLE STUDY:** Join us in a study by Ravi Zacharias entitled, "**Jesus Among Secular Gods.**" Belief in the secular gods of atheism, scientism, pluralism, humanism, relativism, and hedonism continues to grow. Can you defend the claims of Christianity? This Bible study that we'll go through for the next few months challenges the popular and trending philosophies of today, skillfully pointing out the fallacies in their claims and presenting compelling evidence for absolute truth as found in Jesus and revealed in the Scriptures. We'll learn how to share our faith in a culture of opposing worldview and we'll learn to articulate why we believe Jesus stands tall above all other gods.
