Important Notes

All items must be new.

Do not wash any of the items as they will then be considered used.

Linens may be of different colors.

Items may be removed from packaging. i.e. nail files, clippers, band aids & combs.

All emergency kits are carefully planned to make them usable in the greatest number of situations. Due to the fact that strict rules often govern product entry into international countries, IT IS IMPORTANT THAT KITS CONTAIN ONLY THE REQUESTED ITEMS, nothing more. Do not include any personal notes, money, or additional material in the kits. These things must be painstakingly removed and will delay the shipment.

UMCOR does require that the source of manufacturing be removed from the kit contents.

For example, if an item in a kit has a stamp that says, "Made in the USA" or "Made in China," that stamp must be removed, covered or blacked out.
