MONTE HOREB NEWS

Brother Randy, God bless you!! Please if you can publish my report and new salary in the newspaper of the Association in February. Just as the public again from my salary, for churches to see and pray for us. In the church we had general assembly and discussed the work plan of 2012. We began with the month of January with a full week of prayer and every Saturday we evangelists, with the leaders of the church, and our goal is to baptize 30 new members prepared and discipleship, ready for ministry. We have our vision and mission very defined, and we expect great things from God in 2012.

Publish my salary in this way to see other churches who give to Mount Horeb.
