CAMP STARTS BIG!

Camp season is in full swing and lives are being changed every week! The first week of June kicked off with TBA Kids Camp and 166 campers were led by the music of Stephen Thorne and the teaching of Scott Watkins in an experience that saw 25 campers begin a new relationship with Jesus Christ! Counting just our kids, that means **one out of four** campers were saved by Jesus during Kids Camp!

Youth Camp saw 164 campers—a TBA Youth Camp record—with ten saved and at least a dozen recommitments. Three weeks of camp are in the books with six more to come! Continue to pray with us that Jesus will change hearts and lives this summer at TBA!
