ECBA Prayer Meeting Mon – May 7 - 7:00pm FBC Sallisaw

Seven Pillars of a Baptist Church

Last month I wrote concerning a message entitled, "Seven Pillars of a Baptist Church". It is in my heart to preach this message in every ECBA church by the end of 2012. Twelve churches have extended invitations! Thank you! The calendar is filling. There is one Sunday open in May and a few during the summer months. One church has scheduled as far ahead as September. To those who have not responded, I ask that you **prayerfully consider extending an invitation to visit your church before the end of the year.**

Many ECBA churches are planning mission trips this year. Are you considering going on mission? Below are recent requests for missions this summer. You may plan your own trip by contacting the churches directly. Or, you may combined with other churches for a joint mission by contacting ECBA.
