

Book Discussion:

Ellen Brubaker;
Participants Guide by
M. Garlinda Burton

This study explores the Bible and human sexuality as two essential components of our Christian faith. The Bible is part of the foundation of our faith. Human sexuality is part of who we are as human beings, created by God and called good. The study invites us to explore the complexity of the biblical text and our varied

understandings of it in light of human sexuality. 156 pp.
