Salem-Wyaconda Southern Baptist Association's Bible Camp, I, (name) \_\_\_\_\_ agree to abide by the rules and instructions given to me, whether listed in written format, or shared with me by a Camp Staff member. I understand that the goal of Bible Camp is to learn more about, and grow closer to, God through the study of His Word. I also understand, that in order for everyone to be able to accomplish this goal in an environment that is safe and enjoyable, there are certain rules that must be observed and obeyed. I additionally understand, that if these rules are not followed, there will be consequences for my actions. I further understand and agree that, if I refuse to cooperate with Camp Staff and/or rules, my parents will be called to come to camp and take me home.

I further understand that, due to inappropriate behavior or illness, I may be called to pick up my child at the Director's and/or First Aid Officer's request.

## **MT. SALEM-WYACONDA ASSOCIATION Camp Dress Code 2021**

Family to keep this page; no need to return with Camp application

The Mount Salem-Wyaconda Baptist Association Summer Camp has a dress code calling for loose, comfortable clothing to ensure the safety of campers by keeping the risk of heat-related injury to a minimum. Modest clothing choices help your children focus on camp activities instead of each other. Above all, God calls us to be careful in how we present ourselves ( 1 Timothy 2:9, and 1 Peter 3:3-4).

The dress code for our summer camp applies to everyone at camp, both campers and staff.

Ultimately, what is and is not appropriate will be determined by Camp Staff, and specifically by the Camp Dress Code Officer (or Camp Director). He or she will determine on a case-by-case basis if compliance is being met. This dress code is a starting point for the Camp Staff, but also for parents/guardians, so that campers' clothing will not only be comfortable and functional, but also appropriate and secondary to their main concerns while at camp (i.e., growing in a relationship with the Lord and in fellowship with each other).

1. **SHORTS** – Shorts should have a loose fitting cut. Short shorts are not appropriate. If standing in a natural posture and your fingers reach past the hem, then your shorts are too short. “Low-rise” or similar shorts will not be an issue as long as a shirt can be tucked into them or overlap them in every position, sitting or standing.
2. **SHIRTS** – Form fitting shirts and spaghetti straps are not appropriate. Shirts should be loose, with material over the shoulder at least three fingers wide. Length of shirt shall be long enough to tuck into shorts or overlap them in every position, sitting or standing.
3. **SWIMWEAR** – **For girls**, swimwear shall be one piece (per MSWSBA Executive Board action, April 2018). Swimwear with cutouts, mesh, see-through material, or in two pieces of any kind is not appropriate; this excludes bikinis, tankinis (i.e., a woman's swimsuit with a bikini bottom and a tank top), or monokinis/unikinis (i.e., a one-piece cutout swimsuit, or a swimsuit with only the lower half of a bikini). **For boys**, swimwear that exposes more than a normally acceptable pair of shorts is not appropriate (e.g., Speedo type swimwear is not acceptable). Swim trunks should have a liner and cinch or tie at the waist.
4. **WORSHIP ATTIRE** – Believing that the assembling for worship of God is special and of biblical importance, and therefore should never be approached casually, we encourage campers/staff to dress in clothing that shows due respect for worship. For boys, clean shirt and pants are encouraged. For girls, clean pants/shirts, modest dresses or skirts and blouses are appropriate. Wearing shorts and/or flip-flop type footwear is discouraged at evening worship.

Persons may be requested to change their clothing if it is determined to be inappropriate by camp leadership. Due consideration will be given in regard to what that person has available.

The swimming pool is the only place where swimwear is to be observed being worn; therefore, all campers need clothes/wrap to wear to and from the pool area that covers their swimwear.

Gender appropriate undergarments should be worn at all times. Any clothing items that cannot completely cover a camper's undergarments are not appropriate.

All articles of clothing will be subject to rules of decency regarding any graphics or printed words displayed on them. Vulgarity, sexuality, alcoholic beverage, or illicit drug use shall not be promoted or displayed in any way on clothing—including innuendo.

Holes or rips in clothing that expose areas of the body that would normally be covered in this dress code are not permitted or appropriate.

Lastly, any clothing causing a distraction, or is attracting undue attention from other campers, is not appropriate and will be addressed.
