Hello and Greetings Central Texas United Methodist Women,

This page of the CTCUMW website is new. District officers will be listed, the District calendar will be posted with the dates of meetings and events. I hope to soon have information from all the units in on this page also. I would like it to include; events you have scheduled, mission work you are doing in your communities, and whatever else you would like to share.

Communication within the Districts and between the Districts is one thing our conference is working very hard to improve. We will try really hard to keep the information updated and timely. We hope that it will be used by many members in our District. We will soon have a Facebook group page also for units to post information on.

2020 was a very challenging year. I hope and pray that 2021 is a better year for everyone. However, challenge should spark creativity not fear or defeat. We must be creative and find new ways to serve others and be in mission. That is what UMW is all about, serving those in need. We are bold, courageous, compassionate and determined women. Together we can make a difference in the lives of others in our communities and in our world.

Pray for God to show you new ways to use the amazing talents He has already given you. Wash your hands often, put on your mask, stay socially distant and safe. And most importantly, show Christ's love to everyone you meet. With God's help there is no limit to what we can accomplish!

Blessings,

Ann Stites
Central District President
