

*A Message from Jackie Carter, East District
UMW President*

First, I want each of you to know that I am humbled and grateful to serve another year as your East District President. I have grown so much and thank you for your grace as I have grown. As I sit here what many call post covid I realize and understand we still deal with and I also know the effects it has had on our units, families, churches, and world, BUT GOD is still on the throne and continues to be so very faithful. This leads me to share a piece of my heart with you and something I have come to know, understand, and rely on:

WE CAN COUNT ON HIM!!!!

[Blessed is the man whose strength is in You. Psalm 84:5](#)

Someone has written a little verse that goes like this:

Said the robin to the sparrow,

I should really like to know,

Why these anxious human beings

Rush about and worry so.

Said the sparrow to the robin,

Friend, I think that it must be,

That they have no heavenly Father

Such as cares for you and me.

If Jesus cares for tiny birds and frail flowers, why can't we count on Him for every aspect of our lives? After all, He loves us so much that He sent His Son into the world to save us. We are that special to Him!
