

# LOVING LIBERATING LIFE GIVING

*the Jesus Movement*

## What is the Way of Love?

*The Way of Love is a way of life.* More than a program or curriculum, *it is a return to the ancient pathways and Rules of Life that followers of Jesus have observed for centuries.* They knew the power of commitment to a core set of practices – **Turn, Learn, Pray, Worship, Bless, Go, Rest** – and the power of gathering in a small group where you find love and support for living into these commitments.

If we hope to not only worship Jesus but to grow more like him and bear his redeeming love in the world, we can adopt a rule of life like the Way of Love and find a community with which to practice it.
