

The ENLIGHTENER

Pastor's Message:

For now we see as in a polished metal mirror: dimly,
But then we will see face to face.

-1 Corinthians 13: 12

Spring has sprung in the Rochester area, or at least the early signs of spring have arrived: crocuses, daffodil tips, robins, red wings and house finches. Despite the diligent work of several men to prevent it, the sparrows are trying to find a way to nest in the picnic pavilion. I expect that we will have more snow, but Spring is definitely on its way. Anyone who has been around me for any length of time knows that I love Spring as much as any person. I love to watch the plants poking their heads up through the thawing, even still frozen earth. For me, the crocus (and probably the butterfly) is my favorite symbol of resurrection and new life in Jesus Christ.

But symbols are not the real thing. They are only meant to represent, to stand in for, something much greater. Our American flag is a potent symbol, but it pales in comparison with the great and beautiful country that it stands for. The cross that we see in church or wear around our necks conveys only weakly the deep suffering and selfless love of Jesus on Good Friday. And crocuses, lilies, butterflies, and other Spring images cannot fully capture the power of the empty tomb and the risen and living Lord, or the life that his resurrection promises for us.

The apostle Paul speaks about this in his “love chapter,” the 13th chapter of First Corinthians: *“Now we see things [like God’s love, Jesus’ resurrection, new life in Christ] as though we were looking at them in a polished metal mirror, or the surface of a pond – dimly- but then [when Jesus comes] we will see as clearly as if we were standing face to face.” “Now I understand in part; then I will understand completely.”*

It is difficult to explain how different life in faith can be from life lived in hopelessness. There are no adequate words to describe how beautiful and wonderful eternal life in heaven will be. And so, we use symbols. If our life now is like a flower bulb in the fall – not much to look at, or tell about, - then life with Jesus is like the flower that blooms in the brown Spring ground – beautiful almost beyond description. If our present life is like that of a caterpillar – ugly, slow, hard work to move around and get enough to eat, and full of dangers – then eternal life is as free and beautiful as a butterfly on the wing. But more so...

This Spring, and particularly on Easter, April 4th, enjoy the symbols of the season. Let them remind you of new life, better life, in Jesus Christ - now and forever. And remember that they are only a dim reflection of the reality God has prepared for us.

In Christ's love,
Pastor Matt Stengel

The parcels include protein, dairy, cereal, bread, juice, canned produce and fresh produce when available. We also include a package of cookies for each family.

If you would like to donate food, you may drop off your donations at MELC between 10:00 - 12:00 on Tuesdays and 1:00--3:00 on Thursdays. Again, this is the second and fourth Tuesdays and Thursdays of the month.

If you would like to volunteer to pack bags and help with distribution, please leave a message with your name and phone number on the church office phone, 865-1866, and someone will coordinate with you. As we are observing safe Covid protocols at this time, we cannot have drop in volunteers.

Message from Outreach:

Oh, how fresh the wind is blowing!
See! The sky is bright and clear,
Oh, how green the grass is growing!
April! April! Are you here?
—Dora R. Goodale (1866–1953)

Did you know . . . The month of April gets its name from the Latin word *aperio*, meaning “to open [bud],” because plants really begin to grow this month. April’s birthstone is the diamond & the flower is the daisy (or sweet pea). In England there are many cuckoo festivals because during April, the arrival of the cuckoo bird is a signal that spring has arrived. On April 15, 1912, the *Titanic* entered history as one of the most notorious disasters at sea when the unsinkable ship struck an iceberg and sank just four days into its maiden voyage.

Over the past twelve months, some of us may have felt as if we were on another uncertain voyage as we navigated and continue to navigate the far-reaching rough seas of covid-19. During these weeks, Outreach has been able to bring some joy in several ways. We delivered 15 packages of undies to 5 elementary schools and continued our Bible Study program, via Zoom, with Atria & Elderwood Senior Living. Starting this month, Dennis Wake will be joining Gale Huber, Sharon Neary, & Karen Pearson in this wonderful ministry. Anyone who might want to explore the possibility of joining our team can contact Karen Pearson (kgp@rochester.rr.com, 392-3892, 329-6659) or Gale Huber (galefischerhuber@gmail.com, 247-3464).

We are still accepting Mission Pledges from 2020, and we encourage everyone to check out the monthly food requests from GEFS. As things continue to unfold, we will be thinking about and planning our Mission Sunday program!

As always, thank you for your generous donations and support.

Some committee meetings are suspended during COVID restrictions. Leaders may hold Zoom meetings. Check your emails for updates.

American Apocalypse: A History of Modern Evangelism

By Matthew Sutton

The first comprehensive history of modern American evangelicalism to appear in a generation, *American Apocalypse* shows how a group of radical Protestants, anticipating the end of the world, paradoxically transformed it. Matthew Avery Sutton draws on extensive archival research to document the ways an initially obscure network of charismatic preachers and their followers reshaped American religion, at home and abroad, for over a century. Perceiving the United States as besieged by Satanic forces--communism and secularism, family breakdown and government encroachment--Billy Sunday, Charles Fuller, Billy Graham, and others took to the pulpit and airwaves to explain how Biblical end-times prophecy made sense of a world ravaged by global wars, genocide, and the threat of nuclear extinction. Believing Armageddon was nigh, these preachers used what little time was left to warn of the coming Antichrist, save souls, and prepare the nation for God's final judgment.

A Special Note of Thanks from Seneca Street

"Thank you for your support of Seneca Street Church Ministries. We can be in the community feeding the hungry and loving our neighbor because of people like you. We offer hope and love to people and we give thanks for your gift. There is always need."

Jackson's shamrock cookies were delivered to Bible Study residents at Atria & Elderwood for St. Patrick's day. Palm crosses were delivered the following week and Jackson's Easter cookies will be next.

All are welcome to join in this wonderful ministry.

Habitat for Humanity

It's been a while; haven't had much to share as the local Habitat chapter was basically in a state of hibernation, limiting volunteers, putting staff members on temporary leaves, basically, just living with Covid like the rest of us. They did continue to work on homes on a limited basis, even including rehabbing some homes. Our group has only met from time to time since we couldn't start on our 8th home yet.

Here's an update: our 7th homeowner moved in to our sponsored home in April of last year. Her name is Kiomy Rivera and because of Covid, she had to move her family in by herself. I believe she has two children and her grandmother living with her. She's an exemplary example of Habitat homeowners. She put in over 600 hours while only 350 is required. She continues to do volunteer work for Habitat even though she works full time. Her home was dedicated along with 3 others in the same area on May 1st of last year with only a few people allowed to be there.

Our coalition just held a Zoom meeting last week with a Habitat representative attending. We were able to get some information on being able to go forward. The Habitat chapter is still working on a limited basis so we are on hold until 2022; we will continue to do what we can do to raise funds before the actual build time. Right now, we have 48% of the \$65,000 in the bank. Our affiliation with St. Pauly (the shed in the parking lot) continues to generate about \$200 a month. Each church, like ours, have regular giving through their equivalent of our Missions group, we raised \$533 from pie sale even though it was limited compared to the usual participation.

I'll continue to keep you updated as we go forward. The group wants to get back to regular monthly meetings even if it's by Zoom. If you think you'd like to get involved in any way, please contact me at 319-5924, or wmason3403@gmail.com. *I can always use someone to represent our church (the founding church) at meetings I'm not able to attend.*

©Radio Free Babylon. All rights reserved. Do we believe God speaks to us? Absolutely, sometimes even audibly. He can also speak to us in dreams, through other people, even through film and song. Obviously he speaks to us in nature, "Field and forest, vale and mountain, flowery meadow, flashing sea. Chanting bird and flowing fountain call us to rejoice in Thee." But if you, like us, want to know what is on God's heart, we should read the Word. We are neglectful in this. Let's change that.

©Radio Free Babylon. All rights reserved. The hurting are all around us. We don't really need to go to some "Save the Needy" site to find them. Ask God to show you who in your world needs help. The answer will come surprisingly quickly. Could be a few doors down, someone you mistakenly judged and haven't bothered to get to know. That's not on you. You're busy. God understands. But you can find a moment to ask for a glimpse. God will provide it... and open your eyes.
