

April News

Thank you to those of you who participated in the Deacon Training Workshop. Twenty-five men participated with seven churches represented. We had a great day of training, fellowship and discussion. Our prayer is that this will be an ongoing effort for the future. Please pray with us.

Many of the churches of WRBA will have summer activities this season. Please let us know your plans so we can post the events and to rejoice with you. Also, consider working with other churches to combine resources to reach our communities. VBS is a great way to cooperate others to bring the Gospel to the neighborhood. Let us help you communicate this need to cooperating churches.

We are looking forward to what God will do in the September Safety and Security Workshop. Scott Strait will be leading us to be proactive in the security needs of the local church. We are not exempt from the growing disdain of people for the church. We must prepare for any threat to the congregation body or it's entities. The workshop will be September 22 at 9am at Mountain Home Baptist Church.

It is golf tournament time. Once again this years we will be having the Threshold Ministries Benefit Golf Tournament. This year the event will be Saturday September 8 at 1pm. This is a two man scramble with opportunities to win prizes. We are looking for participants and sponsors. We are asking each church to sponsor a hole. This is great advertisement for your church but also to support your Threshold Ministries.

Thank you for your prayer and support. See the upcoming events.

Sincerely,

Stace E. Cupples
