

WRBA NEWS

NOVEMBER

Dear Associational Family,

Merry Christmas and Happy Holidays. Here we are in another season of ministry and fellowship. I know many of you will be celebrating the Christmas season with special events, cantatas, and living nativities. This is a great time of the year to minister to the spiritual needs of our communities. Please let us know if you will be having an event so that we can promote it by putting it on the website and to invite your fellow churches. It is our joy to serve you in this way.

I want to say thank Midway Baptist Church for the opportunity to preach at your revival. It was a great time of worship through music and God's Word. Bro. Ronnie Thomas provided the music and did a great job.

Twin Lakes Baptist Church had a successful presentation that was held over for another week of Heaven's Gate and Hell's Flames. Each night many people came forward to receive Christ.

Thank you to the Women's Ministry Team for a great mission's conference. Thank you to those who put their time and heart in making this conference a success. If you were unable to attend this year, don't miss out for next year's fellowship and worship.

Threshold Ministries had the opportunity to provide much needed food to our community. This year we were able to give out 130 turkeys. This ministry continues to flourish be providing food and clothing to folks in great need. If you would like to volunteer in either the food room or thrift store, we would appreciate your help.

We are excited about what God will do in this next year. Continue to pray for the ministry opportunities through the White River Baptist Association. Pray for each church family as they continue to reach their communities with the saving grace of Christ. Great opportunities and challenges are ahead for all churches. As we partner together, let us seek God's direction and understanding to make a difference through the Gospel this next year.

In His Service,

Stace E. Cupples

Associational Missionary
