

In the Last Daze

*Cold chills when the Spirit speaks that some shall
Depart from the faith
All ends in calamity just when they thought it was safe
They followed the lies- the fables men devised*

*In the last daze- the final haze
There was strong delusion to believe a lie
In the last daze before the blaze
They couldn't see beyond their misty trance
To grab the truth and have fighting chance
In the last daze*

(Lyrics from the Song "Last Daze" by the Christian Band, Petra)

The Great Reset, that is a phrase that is becoming more popular as we converge towards the coming end time events. What is The Great Reset? Here is a synopsis taken from the World Economic Forum:

"COVID-19 lockdowns may be gradually easing, but anxiety about the world's social and economic prospects is only intensifying. There is good reason to worry: a sharp economic downturn has already begun, and we could be facing the worst depression since the 1930s. But, while this outcome is likely, it is not unavoidable.

To achieve a better outcome, the world must act jointly and swiftly to revamp all aspects of our societies and economies, from education to social contracts and working conditions. Every country, from the United States to China, must participate, and every industry, from oil and gas to tech, must be transformed. In short, we need a "Great Reset" of capitalism."

To be more precise, this reset is a move towards global government, economical control, and to prepare the way for the rise of the Man of Lawlessness (anti-christ). Even churches are falling into the trap of Globalism and the New World Order. **1 Tim 4:1** says, ***"But the Spirit explicitly says that in later times some will fall away from the faith, paying attention to deceitful spirits and doctrines of demons..."*** But for Christians, there is one prophecy that is at the top of the list. It tells us that prior to the Tribulation, something called "a falling away" must come. The Bible uses the terms "falling away" and "apostasy" to describe turning away from the faith and heading in the wrong direction. It is someone who has drifted from the Lord, whose focus has moved from God to self. Jesus warned the disciples concerning the end times in **Matt 24:10–12** that not only will many fall away but that many will also betray each other and hate each other. No one can argue that is happening now! **Vs. 12** ends with ***"Because of the increase of wickedness, the love of most will grow cold."*** These are the characteristics of the great apostasy of the end times. Is there any hope as followers of Christ? Absolutely! Our "Blessed Hope" known as the rapture.

Many believe the rapture of the church will trigger not only The Great Reset towards gGlobalism, but also a great revival! Many of those left behind will realize the rapture proves the Bible to be right and the need to follow Christ. You can see evidence of this in **Rev. 7:9-17 (please read)** where a multitude too large to count from every nation will arrive in heaven. The persecution of Christians has increased 100-fold so, know that "The Day of the Lord" could happen at any moment! Be strong in the Lord and be of good courage and remember, ***"When these things begin to take place, stand up and lift up your heads, because your redemption is drawing near."*** (Luke 21:28)

Keep the faith,
