The Story
David – From Shepherd to King

Pastor Travis Muse

Next Week: Everybody likes it when things are going good; we like to be on a winning streak. Starting our day is more enjoyable when we know things are going our way; we tend to sing a little Zip-a-Dee-Doo-Dah as we go along. The Bible teaches us that we need to be a bit more cautious during such times as we tend to let our guards down. Chapter 12 of The Story reveals how moments of spiritual and moral weakness can change our lives in a drastic way. That is what happened to King David. Success caused him to compromise his values. We can learn a valuable lesson from his failure, a lesson that could benefit us all.

PURSUING GOD’S MISSION FOR OUR CHURCH

Welcome – Family Announcements

*Call to Worship (Psalm 23)

The LORD is my shepherd, I lack nothing.
He makes me lie down in green pastures, he leads me beside quiet waters, he refreshes my soul.

He guides me along the right paths for his name’s sake.
Even though I walk through the darkest valley, I will fear no evil, for you are with me; your rod and your staff, they comfort me.

You prepare a table before me in the presence of my enemies.
You anoint my head with oil; my cup overflows.

Surely goodness and love will follow me all the days of my life,
and I will dwell in the house of the LORD forever.
