

God is Super

August 16, 2020

How many superheroes can you name? In my comic book years I read Superman, The Flash, The Green lantern, and Elongated Man. Have you ever daydreamed of being a superhero, of having super-human powers?

Thinking of all the powers that superheroes have, what three would you like to have and why, what would you do with them? I'd like to be Invisible, be able to fly, and be bulletproof.

I don't need super powers to be a pastor. Because I know a superhero. The superhero I know is God. You may not think of God as a superhero, but he is. He has three super powers.

God is omnipotent, all powerful.

Since NASA put the Hubble telescope in orbit around our planet we have learned that there are hundreds of billions of other galaxies in the universe. And each galaxy is made up of more than 100 billion stars. The universe is much bigger than we thought. That means it consists of more energy than we thought. That means that God is even more powerful than we thought. God holds in his hands more than all the energy in the universe.

God's power is unlimited in four significant ways:

A. He made all things and all things serve him. They serve his purposes.

"Your laws endure to this day, for all things serve you." Psalm 119:91

B. He does whatever he pleases. Everything he does is his choice. He is not forced to react to us. No outside power can make God do something he does not choose to do.

"Our God is in heaven; he does whatever pleases him." Psalm 115:3

C. No one can stop God's plans. We read in the OT of some who try. They always fail.

"I know that you can do all things; no plan of yours can be thwarted." Job 42:2

D. Nothing is too hard for God.

"For nothing is impossible with God." Luke 1:37

There is nothing God cannot do. He can create things by speaking them into existence. He can hold the sun in the hollow of his hand. He can create worlds or destroy them with a single word. He can create life or end life as easily as you or I blink. He can heal

any disease or infirmity or handicap. He can feed the entire world without growing or killing anything.

There is no evil that God cannot overcome. He can nullify the effects of nuclear weapons. He can defeat any army without firing a shot. He can defeat any army without firing a shot. God is stronger than all of the bad guys. He can make every weapon misfire every time.

God is sovereign over all the kings, queens, dictators, presidents, czars, and prime ministers in the history of our planet. There is no power in the universe that comes close to the power of God. God is all-powerful.

Next, **God is omniscient, all knowing.**

“Omni” means “all” and “science” in its original sense means “knowing.” So omniscience means “all-knowing.” God knows all things, past, present and future, real and potential, and he knows them all at the same time. God knows what has happened, what is happening and what will happen.

1 John 3:20 God ... knows everything. (Psalms 147:5)

Hebrews 4:13 Nothing in all creation is hidden from God’s sight. Everything is uncovered and laid bare before the eyes of him to whom we must give account.

He knows your words before you speak them. (Psalm 139:4)

He knows your thoughts before you think them. (Psalm 139:2)

He knows your prayers before you pray them. (Matthew 6:8)

He knows everything you do in secret, both good and bad. (Matthew 6:4)

Let us take comfort in God’s knowledge. My wooden floors need work. They are 54 years old. They have holes, scratches, water stains, and a dull surface. The internet information is confusing, and conflicting. Some say to use vinegar and others say not to.

God knows exactly what my floors need. James 1 says to pray for wisdom. I asked my class to pray with me for the right information. God knows exactly what my floors need. He led me to reliable sources with exactly the information I needed.

God knows the answers to your problems and can reveal them by the Holy Spirit or lead you to the right source.

God knows everything. Did you hear the joke about the children lined up in the cafeteria of a religious school for lunch. At the head of the table was a large pile of apples. The teacher made a note: "Take only one, God is watching." At the other end of

the table was a large pile of chocolate chip cookies. A boy had placed a note on that table that read: "Take all you want, God is watching the apples."

Of course, God is watching the cookies too, and everything else in the universe. On a more personal level, there are no thoughts of any person that God cannot read.

Girl in one of our Sunday School classes was told God saw everything we did. She responded, "That's not fair!"

There are no feelings you have that of which God does not know. You have no fears or worries that are hidden from God.

We worry about what might happen at some time in the future. "What if I don't get that job; what if I fail that test; what if I get sick; what if, what if, what if." God never says, "what if." God knows all the answers to our what ifs. God knows all the answers of what COULD be. God knows all the answers of what WILL be.

Nothing that happens in this world is a surprise to God. God wasn't surprised that we put men on the moon. God wasn't surprised at 9/11. God wasn't surprised that Katrina flooded New Orleans. God wasn't surprised at this pandemic. To us it popped up fairly quickly. God has known about it since the beginning of time. Nothing in all of history is unknown to God. God knows everything that is currently happening. And God knows all future possibilities.

Don't worry about 2 or 3 weeks from now, because God has already been there. He knows what to do about your future.

God is all-powerful and all-knowing. And third...

God is omnipresent, present everywhere at the same time.

David expressed this well in one of the Psalms.

Psalm 139:7-10 (NIV) Where can I go from your Spirit? Where can I flee from your presence? If I go up to the heavens, you are there; if I make my bed in the depths, you are there. If I rise on the wings of the dawn, if I settle on the far side of the sea, even there your hand will guide me, your right hand will hold me fast.

And there is this from God to the prophet Jeremiah.

Jeremiah 23:23-24 (NIV) "Am I only a God nearby," "and not a God far away? Can anyone hide in secret places so that I cannot see him?" declares the Lord. "Do not I fill heaven and earth?"

One Sunday school teacher was explaining to her preschool class that Jesus would always be with them even though they could not see him. "I already know that," piped up one 4-year-old. "He's the one who opens the door when we go into a store."

God is not limited to time and space like you and I are. God is outside of time and space. God is present in every time and space. There is not a place that you can go to that God is not present. There is not a time when God is busy elsewhere and not available to you.

There is a very old story that goes like this: One Sunday morning, a Bible teacher was sharing a seat with a small boy on a shuttle train in Philadelphia. The boy was holding a Sunday-school lesson leaflet. "Do you go to Sunday school?" asked the man in a friendly way.

"Yes, sir."

The man, thinking to have some fun with the boy, continued, "Tell me where God is, and I'll give you an apple."

The boy looked up sharply at the man, and promptly replied, "I will give you a whole barrel of apples if you will tell me where He is not."

There are several important implications of God's presence. First, God cannot be contained in a building like a temple or a church. Some call a church building the "house isof God," as if God lives in church buildings, or as if God is more present there than in other places. But the truth is, today God dwells among his people within them. When you become a Christian the Holy Spirit takes up residence in you. So God is with you wherever you are.

He is always available to us wherever we go, 24 hours a day. We always have his full attention. We don't have to make an appointment. He is never too busy to hear us when we pray. He's never preoccupied with other problems. God is the absolute multitasker.

God is all-powerful, all-knowing, and all-present. And what difference should it make to us that God has these super powers?

We can trust God with our lives because God is always faithful to keep His promises.

Because of our limitations we let each other down. We fail each other. We have to apologize and explain, "Something unexpected came up, " or "My car broke down," or I had an important phone call right when it was time to leaven."

God has never failed anyone. God will never fail you. We became Christians because of God's promises to those who do. Know today that nothing can prevent God from fulfilling them. In Jesus Christ God WILL forgive your sins. He WILL glorify you with Jesus. He WILL give you eternal life.
