John 9:1-2

John 9:3, 6-7

Let's take a moment and look at four reasons for suffering.
All are in the Bible. I list them from most prevalent
reason for suffering to the least.

- 1. Suffering is a part of life in a _____ world.**
- 2. We suffer the _____ consequences of our sins.**
- 3. God may discipline a Christian for a _____ of sin.**
(This is NOT the reason for most of our suffering. And this
only applies to those in a covenant relationship with God.)
- 4. This may be a _____ of your _____.**
(This is not the reason for most of our suffering.)

John 9:3

God _____ this man to be born blind.

Each of us is _____ by God.

You are not _____ to do with your life _____.

You are an instrument of the Gospel in the hands of God.
So, Instead of asking, "Why am I like this," volunteer for service.
