

THE PRINTS of PEACE

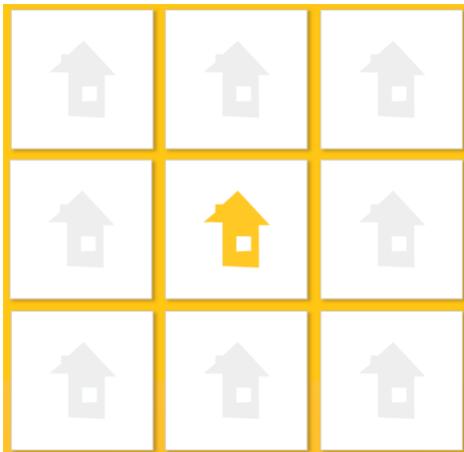

Emmanuel Baptist Church of Gambrills

Changing Lives with Christ

April, 2013

Warmer Weather Outreach

Spring is here and it is almost time to get out in the yard. Working, or walking, in your yard is a good way to connect with neighbors. Here is a suggestion I've seen that you might use. Make a grid like the following:

Your house is in the middle. You have neighbors all around you. There are eight families living either next to you, behind you, or across the street. Learn their names and add to the grid. Start praying for opportunities to meet and greet your neighbors, get to know them, pray for them, invite them to your church if they don't have one.

Bringing people to Jesus starts with relationships. Reach out to your neighbors this spring, summer, and fall.

The Women on Mission

of Glen Burnie Baptist Church invite the women of Emmanuel Baptist to attend a meeting on April 9 at 10:00 AM. **Melody Knox** who is a missionary with BCMD will speak about human trafficking in our nation, state, and community. You are also invited to the lunch after the meeting. If you are interested in going, please talk to Lois Wilson. 410-695-0447

Adopt-a-School

We are helping fund the Waugh Chapel Elementary School's needs by collecting items for the **TWO** programs below. These are separate programs. What we need to save from the products is different for each. Take careful note.

Labels for Education

Be aware that some or all of these may have an expiration date on them, so don't hold them too long before turning them in. We have a collection bag on the bulletin board.

The Kid's Stuff Flea Market

will once again provide a service to our community. The date is Saturday, May 4, starting at 8:00 a.m. The rain date is May 11. If you want to sell your stuff at the market, register for a space at the church website, or call the church office.

We also **need volunteers** to help set up, clean up, monitor the building, or "work" in the Prayer Booth. Would you be willing to talk to people who stop by the booth and pray with/for them? Contact Margaret Shifflett about helping.

**The CAP Food Pantry drive
item for this month is
Cereal. Bring boxes and
leave them in the gray crate
in the church foyer.**
