What do AAEO-supported missionaries do?

- Start new churches
- Engage in student evangelism on college campuses
- Serve the physical and spiritual needs of people through ministry evangelism
- Serve as church planting catalysts

As a church, we hope to give \$2,000.00 to the Annie Armstrong Easter Offering for North American Missions. Consider what you as a family will give. Do so prayerfully, thankfully, and sacrificially.

Termites

have been discovered under the utility room floor of the church. That area will be treated in March, as will the subsoil around the perimeter of the church building. The product being used is Termidor.

You can read about it here:

If you have any concerns about its use, contact the pastor.
